## Documents in other formats

---

Users of the Mary Ward Centre will increasingly find this statement on documents on our website and on printed documents:

**If you require this document or a part of it, or any other information document, in another format such as larger type, Braille, audio, digital, or in another language, please ask.**

It means that if you have a valid reason we'll prepare documents in a form which is more accessible to you. **Please ask at reception.**

**If you have a problem with any forms** that we ask you to complete, we can help you fill them in. **Please ask at reception.**
