New Year, New You! It's time to join a class in 2021!

It's been an interesting autumn term as we have adjusted to learning online and to new 'norms' in our classrooms and buildings. Courses for the spring term are now ready for enrolment. We have a variety of courses, new and established. Places are filling up, so don't delay, enrol today!
www.marywardcentre.ac.uk/courses

You can enrol online now:

If you are entitled to a concessionary fee please call: 020 7269 6000
Telephone lines are open Monday-Thursday 10:00-20:00 and Friday 10:00-14:00. If the lines are busy, please leave a message with your contact details and we will get back to you as soon as possible. Alternatively, you can download an enrolment form under 'about the college' on the website.

Don't forget new courses are added throughout the term so keep an eye on the website and look out for our Summer Update later in the year.

Classes onsite:

We are delighted that we have been able to remain open. Face-to-face classes are running at the Mary Ward Centre, 42 Queen Square and Blackfriars Settlement, 1 Rushworth Street. We continue to maintain social distancing in face-to-face classes at our centres. We have reduced class sizes and put in place COVID-19 safe procedures.

Mary Ward online:

There's a fantastic choice of online courses starting in January 2021. If you are enrolling on an online course we recommend you have the following:
Email address, Reliable internet connection, Up-to-date web browser such as GoogleChrome.
Your device will also need a camera & a microphone. Headphones & a microphone can also be helpful but are not essential. You do not need a Zoom account of your own in order to access your sessions but it is helpful if you download the Zoom application onto your device.
