ENRICHING AND TRANSFORMING LIVES

WELCOME TO MARY WARD SUMMER 24!

We are a specialist adult education college, that aims to enrich lives through learning. Through our part time courses we offer a broad range of learning, whether you're an aspiring artist, a tech enthusiast, a business owner, a language lover or interested in health and wellbeing we've got something just for you.

Around 5000 students attend the Centre each year. Our student body reflects the diversity you would expect from our London location and students come from all walks of life and their education, work and life experience varies enormously. Everyone is welcome.

We are also out and about in our local community delivering a thriving community outreach programme in partnership with other Voluntary and Community sector organisations.

The Mary Ward Centre is based at 275-285 High Street, Stratford, E15 2TF and getting to us is easier than you might think! There are excellent local transport links and we are less than 10 minutes walk from the main station at Stratford which has underground, over ground, DLR and National rail services, and only 2 minutes from Stratford High Street DLR Station. There is also a bus station outside of the main Stratford station. Our lovely new building is accessible for all our students and visitors.

We also deliver courses at Blackfriars Settlement which is situated in Southwark at 1 Rushworth Street London SE1 0RB.

The atmosphere at both buildings is relaxed and friendly but purposeful. Students are at the heart of everything we do and we are known as the friendly place to learn, and therefore support for individuals is central to our ethos.

We look forward to welcoming you and hope that you enjoy whatever you choose to do!
