ENRICHING AND TRANSFORMING LIVES

# WELCOME TO MARY WARD!

At Mary Ward, we're more than just a college. We're a warm, welcoming community where students are at the heart of everything we do and we specialise in learning for adults. Whether you're an aspiring artist, a tech enthusiast, a language lover, or interested in health and wellbeing, we've got a course for you.

Our students join us from all walks of life and our student body reflects the diversity of the communities we serve from our London locations. You will also find us out and about in areas local to our centres delivering a community outreach programme together with partners from the voluntary, community and charity sector.

Where are we? We serve the whole of London but our fully accessible buildings are in Stratford and Southwark in easy to access locations served by varied transport links. Take a look at the maps on the back cover and travel information on the next page to see how to get to us.

We are always happy to talk about course options and choices, by email, phone or in person at one of our centres.

There are also some **Taster Days on 18th and 21st September 2024 at our Stratford Centre** where there will be a range of short workshops and a chance to meet some of our tutors and see the building. We want to make sure that you feel comfortable, welcome and have all of the information you need to start your learning with us.

Don't miss out on our **Early Bird offer - book by 31st August 2024 and get 10% off the cost of a course.** \*

We look forward to seeing you soon!

## ESSENTIAL SKILLS AT MARY WARD

Mary Ward is the friendly place to learn, from booking an assessment to a place in class, there is someone here to help.

Classes are once or twice a week, day and evening, some are at our centres and others online. Teachers at the assessment will talk to students about what is best for them.

Highly qualified, professional teachers will support learning from start to finish.

Towards the end of each course, teachers will give advice about next steps; whether this is the next level or a whole new avenue, to get people into work, a new job or develop further life skills.

### FEES

For most people living in London, Essential Skills courses will be free. Teachers will discuss fees with students at assessment. Visit our website: [www.marywardcentre.ac.uk](http://www.marywardcentre.ac.uk)

### ADULT ENGLISH LITERACY

We provide courses that are perfect for people who have English as their first language or have spoken English from a young age but want to improve their reading and writing skills.

Students on our English Literacy courses will gain confidence in speaking and listening skills and develop their reading and writing too. We offer specialist support for students with dyslexia and specific learning differences. Students can take a variety of exams in speaking and listening, reading, and writing when they are ready.

### ENGLISH, MATHS & IT PLUS FOR ADULTS

A chance to gain basic computer skills such as word processing and internet searching, and learn to use a phone and tablet. Minimum course entry requirement is E2 English/ESOL. An assessment is required pre-course.

### MATHS FOR ADULTS

Nervous of numbers? Frightened of fractions? Gain confidence and enable the use of maths in everyday life, at work, or with children. These courses prepare students for exams up to GCSE level.

An assessment is required before the course starts.

# COUNSELLING

These courses are extremely popular, so you are advised to get your application in as early as possible. Application forms are available in April. Interviews take place in July and September. For further details on these courses and the application process. Contact: [counselling@marywardcentre.ac.uk](mailto:counselling@marywardcentre.ac.uk)

## INTRODUCTION TO COUNSELLING

Learn the basic methods and practices of counselling; the skills which form the basis of the counselling relationship, for use in personal or community situations. The course carries a Certificate of Attendance.

## LEVEL 3: DIPLOMA IN COUNSELLING SKILLS (CACHE/NCFE)

For those who have completed an approved level 2 course or its equivalent. The course includes theory, practical skills, personal development work, a compulsory weekend component and a minimum attendance requirement of 80%. Validated by CACHE/NCFE, it meets the entry requirements for the level 4 Professional Diploma in Integrative Counselling. Entry is by written application and group and individual interview. **Student Loan available**

## LEVEL 4: PROFESSIONAL DIPLOMA IN INTEGRATIVE COUNSELLING (CPCAB)

A challenging two-year course qualifying you to practise as a counsellor in an agency. Drawing on Clarkson's five-strand model of the therapeutic relationship, the course integrates humanistic, analytic and transpersonal perspectives. Students will be expected to have 70 hours of personal counselling and to begin a counselling placement. Entry onto the course is by interview, and you must already have a minimum of 180 hours formal counselling training or the equivalent. The fees stated are for the entire two-year course. **Student Loan available**
